

# Sexuality Seminar

This seminar will cover an important topic as part of the Confirmation Preparation Requirements - Sexuality.

- Today we live in a world that has undergone a sexual revolution – but what is there to show for it: out of wedlock pregnancy, divorce, HIV/Aids, STDs, same sex marriage, abortion, pornography, bullying, sex on the internet, and single motherhood, just to name a few. There is sex everywhere we turn: in the music we listen to, in the movies we see, and in the television programs on just about every channel we watch. Is it any wonder that our young people are growing up with no clue about what family is, what marriage is, and the purpose of sex in a committed marriage relationship!
- The sex education programs taught in elementary, middle and high school may cover the biology about sex, but what about the morality?
- If we want our children to learn the Catholic teaching about marriage, family, and sexuality, they need to learn it in a Catholic setting.

This seminar is intended to encourage discussion between students and their parents/guardians on the topic of sexuality in today's world using:

- ✓ Scripture readings
- ✓ Stories
- ✓ Music/Lyrics
- ✓ Movies
